MEMORANDUM FOR: Executive Officer/DDA

FROM :

Chief, Policy and Plans Group
Office of Security

25X1A

SUBJECT : Activities of Liaison Services in the U. S.

REFERENCE : Memorandum from Chief, Staff for International
Activities, undated, same subject

25X1C 1. In response to your communication of 2 February 1977, please be advised that the Special Security Center of the Office of Security meets with foreign liaison officers and security officials concerning security policies and procedures relating to the handling and utilization of Sensitive Compartmented Information (SCI) and/or technical collection sites or operations abroad. These contacts are generally confined to [REDACTED] representations. During the past nine months there have been two meetings,

25X1C Generally, these contacts are with liaison officers who have relationships with the DDI and/or the DDS&T, as well. There is no exchange of intelligence or operational discussion. The contacts deal strictly with security policies and procedures which may include some discussion of unauthorized disclosures of SCI material in the press. There is no formal training involved, but information and advice in compartmented security is provided as required. During the two meetings mentioned, [REDACTED] representative were permanently assigned to Washington. Both were accompanied by individuals visiting this area on a TDY basis.

2. On 29 December 1976, the Office of Security provided the Chief, SIA with a compilation of training and briefing exercises conducted at the request of other Directorates. A copy of this report is attached. Within the framework of the deadline it would not be administratively

feasible to breakdown the report in terms of which exercise occurred in 1976 or which involved TDY officers as opposed to those permanently stationed in Washington.

3. It should also be mentioned that the Director of Security in coordination with the Directorate of Operations has had liaison contact with [REDACTED] on matters of mutual interest in the counter-terrorism field.

4. For your information the Chief, SIA was contacted telephonically and stated that he was concerned only with contacts with foreign liaison representatives permanently stationed in Washington, D. C. The Chief, SIA had no interest in official foreign visitors who were briefed in the United States while on TDY.

FROM:

██████████
Chief, Staff for International Activities,

25X1A

SUBJECT: Activities of Liaison Services in the U.S.

1. The Directorate of Operations is tasked with the preparation of a briefing paper on the activities of foreign intelligence and security services in the United States. We have asked our Staffs and Divisions to provide certain information on each foreign liaison representative with whom we are in contact in Washington, as follows:

- a. What are you discussing with each representative?
- b. How often are meetings held with each representative?
- c. With whom does each representative meet in the Agency, that is, DDO, DDI or DDS&T?
- d. What intelligence is exchanged with each individual?
- e. What operational discussions take place?
- f. What is exchanged in the security or CI field?
- g. What training is given any of these representatives?

2. Contributions from the other Directorates on items a, b, c, and d on liaison representatives with whom
